

Title**Job Description**

Assistant Town Engineer

The Town of Islip is seeking an Assistant Town Engineer. Typical work activities include thorough knowledge of the principles and practices of civil engineering; thorough knowledge of engineering practices and procedures as they apply to public works; good knowledge of laws and other regulatory enactments controlling public works; good knowledge of the developments of current literature and sources of information in public works engineering; good knowledge of modern office administration; ability to supervise the work of drafting personnel to attain optimum work output; physical condition commensurate with the demands of the position.

MINIMUM QUALIFICATIONS

At the time of appointment, candidates must possess a Professional Engineer's License issued by New York State, and maintain such license during employment in this title.

NOTE

This position is a Civil Service open competitive title. Candidate will be required to take the Civil Service exam, pass the exam and be reachable on the list when it is established.

Interested candidate must forward a cover letter, resume and salary requirements to:
Fax (631)224-5771 or Email Personnel@townofislip-ny.gov

Call the Town of Islip's Office of Personnel at (631)224-5520 for more information.

The Town of Islip does not discriminate in employment practices because of race, creed, color, national origin, sex, disability, marital status or arrest record.
