

ADOPT A BIKE PROGRAM

Councilman John Edwards is pleased to announce that the Town will be implementing a new program in which residents will have the opportunity to “adopt” a previously-owned bicycle – for FREE! The Town of Islip Adopt a Bike Program will enable residents to drop off their unwanted bicycles at the Town Recycling Facility, where they can be adopted by other Town residents. In order to get this program up and running, we need your help. Please drop off your unwanted bicycles at the Town’s Recycling Facility located on Lincoln Avenue in Holbrook – you’ll be giving someone an opportunity that they otherwise may not have.

So clean out your garage and give someone a chance to get out and ride –

Donate a Bike Today!

For more information, please contact The Town of Islip Department of Environmental Control at (631) 595-3630 or visit the Town’s website at www.townofislip-ny.gov. Bikes can be dropped off at the Town’s Recycling Center, ¼ mile south of Veterans Memorial Highway on Lincoln Avenue in Holbrook, Monday through Friday, 7:00 am to 3:00.
