MESSAGE FROM THE SUPERVISOR

Dear Resident:

In Islip Town, we take the environment seriously, which is why we encourage our residents to reduce, recycle and reuse everyday.

The dumping of hazardous materials on the ground or in storm drains is illegal and ends up in our waterways, which is harmful to the Great South Bay and wildlife. Therefore, to make recycling easy for our residents the Town of Islip has designed our award-winning Stop Throwing Out Pollutants (S.T.O.P.) Program. Please review the attached flyer for a complete list of S.T.O.P. pollutants that will be accepted.

And, in addition to our regularly scheduled S.T.O.P. Days, we accept household hazardous waste Monday to Friday from 7 a.m. to 2 p.m. at our Multi-Purpose Recycling Facility (MRF) on Lincoln Avenue in Holbrook. There, you can also drop off your unwanted pharmaceuticals as part of our pharmaceutical drop-off program.

Also, please take advantage of our E-Waste Program by simply putting your electronic waste out on the curb for pickup on the last Wednesday of every month. All electronics, including computers, keyboards, cell phones and more, will be accepted.

On behalf of the Islip Town Board, I thank you for your participation in the S.T.O.P. program, as well as your participation in all of our recycling programs.

Very truly yours,

TOM CROCI
